

FWP COMMISSION AGENDA ITEM COVER SHEET

Meeting Date: February 16, 2012

Agenda Item: 2012 – 2013 Bighorn Sheep Hunting Seasons, Quota Ranges and HD Boundaries

Division: Wildlife

Action Needed: Approval of Final Rule

Time Needed on Agenda for this Presentation: 10 minutes

Background

Season structures and hunting district boundaries are adopted biennially for all game species. This happens every other year between December and Final adoptions in February. In proposing regulations to the FWP Commission, FWP proposes existing structure except for specific changes. Proposals are based on population status and/or other circumstances.

For the 2012 and 2013 bighorn sheep season structures, proposals include re-opening HDs 210 and 216.

For all FWP proposed changes that include proposed adjustments from the Commission adoptions in December please see FWP Commission Master List for February 2012 meeting.

Public Involvement Process & Results

Bighorn sheep season comments received included interest in harvest or transplants in state. Public comment ran thru 5 p.m., Jan. 23, with comments forwarded to FWP staff and the FWP Commission. Any final adoptions will take place at the Feb. 16 commission meeting.

Alternatives and Analysis

Proposals may be adopted as proposed, with adjustment, with additions, with deletions or no change from 2011 (status quo). No change would challenge the supporting justifications behind proposals.

Agency Recommendation & Rationale

Rationale for individual proposals is included in Commission information packets and may be further articulated at the Feb. 16 commission meeting.

Proposed Motion

I move the commission adopt the final 2012 and 2013 Bighorn Sheep Hunting Seasons and Hunting Districts as proposed by FWP.
